Media Team Spotlight

Meet Mrs. Tichenor, the new Media Center assistant. Originally from the Avon area, Mrs. Tichenor moved to Martinsville in May

of 2018. She has been married over 28 years to her wonderful husband, and they have three amazing kids ages 22, 18 & 15. She graduated from Liberty University with a degree in Elementary Education and has taught for several years.

Some of her favorite things to do are: traveling (especially if it involves a beach), going to the movies with family, and reading... she usually has a book with her wherever she goes!

Student Reader Spotlight

Meet Alexis Shoulta, our student reader spotlight. She loves to read, especially science fiction and fantasy, because she can experience

lives and situations beyond our reality. She has a pretty heavy course load, but Alexis makes time for reading by bringing books everywhere - the bus, before class, and during lunch too! A few of her favorites are *Scythe*, *The Martian*, *Vicious*, *Red Rising*, *Chronicles*, and *Illuminae*.
